Hobbies

Sports: I love Soccer and Basketball. My favorite teams are FC Barcelona and the Raptors. One of my favorite sports moments is when the Raptors won the 2019 championship, it was insane!

Languages: I love learning new languages. I can fluently speak English, French, and Arabic. I know a little bit of German and started learning Spanish recently.

Photography & Photo Editing: I am a self-taught proficient photographer and photo editor. I turned it from a hobby into a side hustle a couple of years ago and had a lot of projects since then.
